

WeDo online ordering portals. Is an online ordering portal right for you? It can open up a whole new world for your business. Take a look at the checklist below, and if your organization identifies with three or more of these needs, an online ordering portal should be in your future.

Ordering

- Do you order business forms, business cards, invoices, etc. frequently?
- Do you currently order documents and marketing materials?
- Do different departments order materials themselves?
- Is there a need to order 24/7?
- Do you track and manage orders?
- Do you currently process order paperwork and purchase orders?
- Is there a need for personalized documents or marketing materials?
- Does your sales team need easy access to materials to help them grow sales?
- Would it be advantageous to manage your supply ordering through a single solution?

Reporting

- Do you have a need for 24/7 access to real-time reports?

Fulfillment

- Do you need materials warehoused?
- Are materials currently being shipped to regional offices?
- Do you need the ability to easily track inventory?
- Do you have a need to track obsolete documents/materials?
- Do obsolete marketing materials cost you each year?

Ecommerce

- Do you need a place where buyers can schedule orders that you manage?

Brand Management

- Is maintaining brand integrity important to your company?
- Do you manage your brand today?
- Are there issues with brand integrity?
